## STATES GO INTO DOUBTFUL LIST

### Party Leaders So Place Five of the Big Ones.

### AFTER EFFECTS OF ELECTIONS

**Machines Get Black Eye—Much Significance Is Attached by Politicians to the Jars to Tammany, Penrose and Gorman.**

Washington, Nov. 9.—Political leaders of all parties and factions represented in Washington are not inclined to overestimate the national effect of the state elections of Tuesday.

Leaders of both parties practically were unanimous in pointing out that local issues were the deciding factors in almost every instance, but they did not overlook the really significant phases of the elections, among which were cited:

Re-election of Governor Foss of Massachusetts, which will seriously dampen the ardor and the influence of the "stand pat" element of the Republican party in New England and in congress.

Return of a Republican legislature in New Jersey, which seems to presage a hard fight at home for Governor Woodrow Wilosn's presidential boom.

Democratic victories in the Ohio municipal elections, which will undoubtedly assist the presidential boom of Governor Harmon.

Narrow escape of the Tammany county ticket in New York, the defeat of the Penrose machine in Philadelphia and the overthrow of the Gorman machine, in Maryland—all of which were accomplished by independent voting.

Democratic leaders particularly regard the outcome in New York as indicating that the up-state voters object to a Tammany legislature and a Tammany state administration, and they believe that persistence on the part of Tammany to, hold the whole state next year may jeopardize Democratic success.

Leaders on both sides did not hesitate to say that at this stage the great states of New York, Ohio, Massachusetts, New Jersey and Maryland, judging from the election, must be placed temporarily in the doubtful column, with respect to the national election of 1912.

The Foss victory in Massachusetts was pleasing to Democrats and Republicans alike in Washington. It is interpreted here to mean a decline in the influence of Senators Lodge and Crane in the councils of the Republican party, a thing especially welcome to the progressive element.

## FIVE M'NAMARA JURORS KEPT

**One, Whose Mother Is Ill, Seeks Release from Los Angeles Trial.**

Los Angeles, Cal., Nov. 9. — Three out of five talesmen objected to being sworn as jurymen in the McNamara murder trial at the opening of court.

Byron Lisk, a mill owner, William F. Clark, a retired farmer, and Sam Mendenhall, an orange grower, were the men who objected to trying James B. McNamara for his life on a charge of murder in connection with the death of Charles J. Haggerty, a machinist, killed with twenty others, as a result of the Los Angeles Times explosion. Mendenhall's mother is near death. Immediately after the talesmen were sworn the court, by agreement of counsel, took the talesmen into his chamber one at a time and heard their excuses.

### NOTICE.

Any person who did not get Tuberculosis Posters and still wishes them can obtain same from Mrs. D. L. Quirk, Jr.

Anti-Tuberculosis Tag Day, Nov. 9-10

## ELECTS CHARTER MAKERS

**Three Commissioners-at-Large Chosen from East Saginaw.**

Saginaw, Mich., Nov. 9. — Polling about a 60 per cent vote, Saginaw elected three commissioners-at-large and twenty from the wards of the city who wil revise the city charter. The unofficial returns give the choice of the commissioners-at-large to Ex-Mayor William B. Baum, Ex-Alderman Herbert Merrill and J. J. McKevitt. In the ward elections the result on party lines is: Republicans, 10; Democrats, 7 and Socialists 3.

A peculiar coincidence about the election was the victory of Baum, Merrill and McKevitt, who are all from the east side of the river. None of the west side candidates were within hailing distance.

## GOOD SUPPORT IS BEING GIVEN TAG DAY WORKERS

The members of the Ypsilanti society for the Study and Prevention of Tuberculosis, together with their helpers, have been working devotedly today and have met, not only sympathy for the, most part, but solid financial support. This morning automobiles with pennants of the society flying and women with their arms full of posters were greatly in evidence on the streets. The stores this afternoon were almost without exception displaying conspicuously in their windows the familiar blue-letter tag day poster.

The houses of the city have been thoroughly canvassed, and posters have been sold at from prices ranging from 25 cents to five dollars. On Normal street alone one of the workers made 25 calls and 23 of these householders bought posters at prices ranging as above.

On Friday the people on the street will be tagged, over sixty people engaging in this enterprise. From eleven to one the workers will be served a lunch at the former Beranek store, next to the gas office on Washington street. The Ypsilanti gas company will furnish the gas, Mr. Gotts will contribute the cream, and the merchants on the street have contributed the coffee, etc.

The money collected during these two days will be used partly to erect shacks on the new hospital grounds and to carry out the object which the name of the society indicates—the prevention of tuberculosis and the care of such as are afflicted with this disease. There has been marked interest shown today.

### SECOND LECTURE ON NORMAL COURSE TO BE MONDAY EVENING

The second number on the Normal Lecture Course will be presented in Normal Hall Monday evening by Mr. William Colledge. His topic will be "Second Fiddles" and will be cleverly illustrated after his able custom with humorous experiences with which he has met during his extended travels over this continent and abroad.

## PROF. LAIRD ADDRESSES STUDENTS

Prof. S. B. Laird of the psychology department of the Normal delivered a sound lecture before the students of the Cleary Business College at the chapel hour, Wednesday afternoon. The subject of the address was "Education and what it does for us." In opening he said that education is something that fits us for the crises of life and better prepares us for living up to higher standards. He showed in a number of different ways how a good education pays although it at times is bought at a great sacrifice. "Education," he said, "ought to teach us how to think, how to work, how to behave and how to love our country." One of the greatest needs of the world at present is thinkers and education helps one to think in a broader channel and arrive at broader conclusions. Hard toil is one of the greatest blessings that the Heavenly Father has given to His people. He closed by saying that the life to live is the one that is transparent with honesty.

## FREUNTNER GOES TO JAIL

**CHARGED WITH FORCING HIS AGED MOTHER TO DRINK WITH HIM.**

Edward Freuntner who was arrested Tuesday, Nov. 7, on a charge of being a disorderly and who at that time was bound over to the circuit court was sentenced Wednesday evening by Judge Kinne to the State Prison at Marquette for one year with recommendation of two years. This was Freuntner's third offense.

It is claimed that Freuntner has compelled his mother, who is over 70 years old, to take liquor by holding her nose and forcing it down her throat.

### YPSILANTI MASONS WELL REPRESENTED AT SCHOOL OF INSTRUCTION IN A. A.

A party of 34 masons from Ypsilanti attended the school of instruction given in Ann Arbor Wednesday afternoon and evening conducted by the Grand Lecturer, Frank O. Gilbert, of Detroit. The lodges from Chelsea, Dexter, Milan and Ypsilanti were well represented, there being an attendance of nearly 350. Among the guests of honor who were present were the Grand Master, George E. Dillon, of East Tawas and the Grand Tyler, Mr. Hollands, of Ann Arbor. Refreshments were served at the close of the evening session. A similar school of instruction will probably be held in this city next year.

## GOOD PROGRAM OUTLINED FOR MEN AND RELIGION FORWARD MOVEMENT

The men of the city of Ypsilanti will have opportunity Friday to see at first hand the import of the great Men and Religion Forward Movement. A special team of experts in their various lines will be on hand to direct the activities of the campaign in Ypsilanti. The program as outlined for Friday is as follows:.

9:30 a. m.—Conference and prayer service, St. Luke's church house.

12:20 p. m.—Meeting at Peninsula Paper Mill. Ten-minute address, Mr. M. E. Adams.

2 p. m.—Institute. Presentation of the five-fold message of the campaign. Clergymen, Sunday School Superintendents, Church Committees and men from Auxiliary towns. St. Luke's church house.

3:30 to 4:30 p. m.—Institute on Boys' Work. St. Luke's church house.

3:30 to 4:30 p. m.—Institute on Missions. St. Luke's church house.

6 p. m.—Dinner attended by young and old men. The dinner will cost 25c and will be served in the dining hall of the Masonic Temple. The following speakers will give seven-minute addresses: Prof. Goodrich of Albion; J. P. Huget, Detroit; J. A. Van Dis, Kalamazoo; A. L. Parker, Detroit; M. E. Adams, Detroit; W. Davies, South Wales; C. W. Hensell, Detroit.

Anti-Tuberculosis Tag Day, Nov. 9-10

Kilian's Orchestra, Masonic Temple, Tonight. Admission, 50c.

Mr. Eugene Foster, expert in work among boys, who is in charge of the boys' department of the Detroit Y. M. C. A. and the chief boy scout of Detroit, will be the leader at the 3:30 p. m. meeting. This meeting is particularly intended for men who have the boy problem to face in any particular—either as leader of boy in classes or clubs, or as parents. The meeting is for men and leaders of boys and not the boys themselves.

The dinner for men, young and old, at 6:00 should be easily the greatest event of this character ever held in Ypsilanti. At a similar dinner in Detroit, at which 20 Ypsilanti men were present, there were only a few less than 1400 men sat down together in the great Wayne Pavilion. Ypsilanti may, in proportion to its size, have even a greater gathering. Tickets should be secured early. Professor Alexander will furnish special musical numbers for this "Dinner of Three Hundred Men." The "Star" has the reputation of furnishing a splendid feed. Let no man miss this great meeting. Seven-minute speeches will be enjoyed at the close of the dinner.

A full program for Saturday and Sunday will be announced.

Tickets can be procured for the banquet at both banks, at Sullivan-Cook Co.'s and at Sweet's dry goods store.

Kilian's Orchestra, Masonic Temple, Tonight. Admission, 50c.

### BRAND WHITLOCK

Elected Mayor of Toledo, Ohio, for Fourth Time.

## OHIO CITY ELECTIONS

### Democrats, Republicans and Socialists among Victors,

**Socialist Vote Shows Increases All Over State—Brand Whitlock Wins in Toledo.**

Toledo, O., Nov. 9.—Revised returns show the elections of Democratic mayors in the big cities of Ohio, repudiation of President Taft's ticket at Cincinnati, the election of Brand Whitlock, independent mayor of Toledo for the fourth term, the election of Socialist mayors in eleven of the smaller cities and an increase in the Socialist vote all over the state.

Out of a total of ninety-three cities and towns in all parts of the state complete returns show the election of forty-three Democratic mayors, thirty-six Republicans, eleven Socialists and five independents.

At Toledo Brand Whitlock won by 3,500, carrying his entire ticket with him with the exception of police clerk.

Complete returns elect Socialist mayors in Canton, Barberton, Cuyahoga Falls, Salem, St. Mary's, Loraine, Fosteria, Martin's Ferry, Toronto, Lima and Mt. Vernon, while in Kinmore the result is yet in doubt.

## ILLINOIS "DRYS" MAKE GAINS

**Fewer State Towns Go "Wet" than in the Previous Election.**

Springfield, Ill., Nov 9. — Returns from the Illinois local option elections indicate a gain for the "drys." The results are as follows:

Jacksonville remains "dry" by about 150; Meredosia remains "dry" by 57; Petersburg remains "wet" by 80; Chandlerville "dry" by 60; Kempsville, "wet" by 4 votes, and Hardin, "dry" by 5 votes; Tallula, "dry" by 78; Naples, "dry" by 39; Athens, "wet" by 40.

Mount Carmel remains "dry" by a majority of 422 votes; Coultervile stays "dry" by 3 votes; Jonesboro "dry" by 107 votes; Golconda "dry" by 156 votes.

## WOMAN WINS ELECTION

**Wages Successful Campaign Against Bond Issue in West Hammond, Ind.**

Hammond, Ind., Nov. 9.—Miss Virginia Brooks of West Hammond, the young reformer, won her most brilliant victory when the citizens repudiated the Interstate Electrical company bond issue in the special election by a vote of 3 to 1. Miss Brooks held mass meetings, hired cabs to take the voters to the polls and got out through personal effort the biggest vote ever known in the city.

The bond issue defeat may result in Miss Brooks being nominated for mayor of West Hammond at the coming municipal election.

**Take Shoes to Balk Pursuit.**

Minneapolis, Minn., Nov. 9.—Taking their victim's shoes so he could not follow them over a sharp cinder path, two negro highwaymen beat and robbed Frederick Kahn of Wausau, Wis. According to Kahn the men secured $125, a gold watch, his hat and shoes.

**Town Forbids Basketball.**

LaCrosse, Wis., Nov. 9.—The board of education of the city of Sparta, Wis., has issued an order forbidding the playing of basketball by girls' teams in the high schools, the point being made that public exhibitions by girls' teams are not conductive to good morals.

## YPSI SCOUTS TO DEMONSTRATE WORK IN SALINE

A request has come from Saline that the Boy Scouts of Ypsilanti come over on the evening of Nov. 24 to give an exhibition of Scout Activities for the purpose of showing the people of that locality what this movement really means. It has been decided by the local officers to accept this invitation on behalf of our local Scouts and a special electric car has been arranged for their transportation. A program is being planned and a meeting of all Scouts is called for Friday evening at the Science Building of the Normal College, 7:00 o'clock, sharp. The Patrol Leaders are urged to get the word to all members of their various patrols.

At a recent meeting of the Scout Council it was decided to consolidate all the patrols and troops under the following:

Troop I—Wolf and Fox patrols.

Troop II—Blazing Arrow and Rattlesnake.

Troop III—Tiger and Cuckoo.

Troop IV—Eagle and Bob White.

Scouts not already members of these patrols are expected to enroll under one or the other of these pennants. It was also decided to hold an exhibition in Normal Hall for the purpose of raising funds to be used in furthering the Scout Movement in this city to open a School of Instruction to enable the Scouts to become more proficient along the various activities. Any new boys who may wish to become Scouts may report at the meeting Monday evening next.

W. H. SHERZER.

## TRANSATLANTIC FLIGHT PLAN

**Adventurous German Would Make Trip in Big Dirigible.**

New York, Nov. 9.—Dr. Paul Gans of Berlin, who plans to cross the Atlantic ocean in a dirigible balloon, starting from Teneriffe and landing at Barbadoes, probably the course followed by Columbus, arrived on the Kron Prinzessin Cecilie. He has a letter from the German emperor and will go to Washington to see President Taft and navy officials.

"Our expedition will start in March," said Dr. Gans. "We will sail a dirigible balloon about 260 feet in length and of 200 horse-power and we will make Barbadoes in four days."

## CHILDREN NEAR DEATH

**Save Lives by Jumping from Ditched Traction Engine.**

Ann Arbor, Mich., Nov. 9. — Edith Staebler and her two cousins, children of Emanuel Aprill of Scio, narrowly escaped death when a traction engine upon which they were riding fell down a steep embankment. The engine had been used on the Aprill farm to run a corn husker and the three children, when the day was over, took a ride with the engineer.

Shortly after starting out the engine skidded and frightened the children so that they jumped and almost immediately the engine ran off the road and rolled down into the ditch. The Staebler girl's ankle was badly sprained.

## OBLIGATIONS OF CITY AND SCHOOL SEPARATE MATTERS

Just a few words to clear up a misunderstanding growing out of the statement in regard to bonding in yesterday's Daily Press and another statement in the circular sent out by the Board of Education. First of all, it is to be remembered that the indebtedness of the city and the indebtedness of the school district are distinctly two separate things, and that at present the school district has no outstanding obligations whatever. According to state enactment, the school district may issue bonds up to $160,-900, or $100 per capita on the schoo. census. The Board of Education's proposition to issue bonds in the amount of $75,000, as is evident to everyone, is thus well within the bonding limit. Yesterday's statement meant that no matter to what extent the school district might issue bonds within its limit, the integrity of these bonds is not affected by any bonds which the city has issued or may in the future issue. Furthermore, the integrity of the city's bonds cannot be impaired by school bonds, and each may issue bonds, if it sees fit, the city up to the limit prescribed by its charter, and the school district up to the limit set by state enactment.

The statement was made that the school tax per $1000 would be increased from $4.40 to $6.70. This is about 50% increase, but does not mean 50% on all taxes paid. To illustrate: The total tax—state, county, city, and school—is about $20 per $1000. This, with the increase caused by the new school, would become $22.30, or an increase of only about 11½% on the entire tax. Do not be mislead by the statement that taxes will be increased 50%.

### SOCIAL PARTY.

The ladies of St. Johns church will give a social party at the Masonic Temple Thursday evening, Nov. 16. Dancing and cards.

## STATE DECLARES CASE AGAINST MINISTER ACCUSED OF MURDER HAS BEEN COMPLETED

Boston, Nov. 8.—District Attorney Pelletier declares that the state has completed its case against the Rev. C. V. T. Richeson, indicted on the charge of murdering Miss Avis Linnell, and that the trial can be held in January. He and Inspector Watt of the police department have personally had charge of the collecting of evidence, and they are both confident of a conviction. The accused minister has resigned as pastor of the Immanuel Baptist church of Cambridge. In his letter he protests his innocence, but says he does not wish to embarrass the church.

## CHINESE CAPITAL OUTWARDLY CALM

### Anxiety Is General and Panic Thinly Concealed.

### MANCHUS ARE STILL FLEEING

**Plan to Cut Tien Tsin Railroad in Order to Stop Rebel Advance, Is Protested by British Minister.**

Pekin, Nov. 9.—The capital is outwardly quiet, but general anxiety will not abate.

The flight of the Manchus continues, while sections of the Manchu guards are constantly leaving for the northward. The departure of the court is hourly expected.

There are innumerable rumors of the movements of Chinese troops around the capital, reported to be concentrating at the direction of the revolutionists. The advance guard of the Lanchow army has not advanced on Feng Tai, whither Chang Shao Sen is reported to be bringing the remainder of the troops. It is said that the court intended to send the Manchu troops on Tuesday to cut the Tien Tsin railroad beyond Feng-Tai and prevent the approach, but Sir John Jordan, the British minister, protested on the ground that Great Britain was empowered, under agreements, to operate the line if traffic were stopped. The scheme consequently was abandoned.

The rebels are reported to have secured the Kalgan railroad and are moving troops thereby in the direction of Pekin. The imperial troops at Hankow are cut off from Pekin, owing to the fact that the rebels control the road to Chen-Ting-Fu. It is estimated that 18,000 Manchu troops are within Pekin upon which the throne may rely. Besides there are 9,000 police.

The revolution spreads apace in the provinces which hitherto have seceded. Nanking has surrendered after a brief ressitance, the viceroy having received orders from the government to yield.

## DENEEN AT CAPITOL

**Governor Meets Legislators and Discusses Special Session.**

Springfield, Ill., Nov. 9.—Governor Deneen went to his office in the statehouse for the first time since he broke his leg, Sept. 3. His purpose was to meet state senators in an effort to persuade them to agree about sine die adjournment of the legislature.

All the subjects which Governor Deneen wishes to include in a call for a special session, if the present session adjourns, were discussed. These included the initiative and referendum, the recall and other reform measures.

## SUMMIT STREET RESIDENT SUCCUMBS TO LONG ILLNESS

The death of Mrs. Charles Cobb, 52, occurred at her home at 9 Summit street, Wednesday evening after an illness of several months. The body will be taken to Chilson for burial.

### BEN HUR STOCK COMPANY AT THE YPSI OPERA HOUSE

The Ben Hur Stock company will present a series of popular amusements at the Opera House all next week. They will open Monday evening with one of their strongest productions and will continue with a change of program each evening. The company has been meeting with marked success this season and a good week is anticipated by Manager Renne.

**Portuguese Cabinet Out.**

Washington, Nov. 9. — The Portuguese cabinet has resigned, according to a dispatch received at the state department from Edwin V. Morgan, American minister at Lisbon. The president of Portugal, he added, is forming a new cabinet, which will be announced shortly.

**Pays First Fine at 105th Arrest.**

Moorhead, Minn., Nov. 9. — Julius Stovenor surprised the court by meekly handing out his $7 fine when arraigned for his 105th offense. In his previous 104 arrests not once had he paid a fine.

**Court Records Destroyed.**

New York, Nov. 9.—Twelve years of the court records of the west side court of New York city are in ashes as the result of a fire which swept the basement of the building.

### AN IMPORTANT BUT OBSCURE NEWS ITEM.

The newspapers friendly to the liquor interests and taking all of the their money they can get for advertising and thus entering into partnership with the liquor interests in helping them market their wares, even in dry territory where the same newspapers seek the support also of the enemies of these advertisers, have just printed the following news item in an obscure place and occupying about an inch, single column, with no display head:

**Maine Stays Dry.**

AUGUSTA, Me., Nov. 7.—Announcement is made at the state house that the governor and council have decided after a long discussion, that the special election held on Sept. 11 had resulted in constitutional prohibition being reaffirmed. The acceptance of corrections in the vote of four towns reversed the original result, which was a majority of 26 for repeal.

This is the official statement from the state capital of Maine at the conclusion of probably the fiercest fought battle between the liquor interests and those opposed to them which has been waged at least during the past year.

It was the open boast and the avowed policy of the liquor interests of the whole nation to break the uninterrupted testimony of Maine for almost half a centuary. Maine had been proclaiming to the rest of this country year after year, and backing it up with statistics, that she had the largest per capita deposit in her savings banks of any state in the union, that she had more schools in proportion to her population and more teachers in proportion to the pupils than in any other state in the union; and that, according to government statistics, the amount of liquor sold in fifty years in illegal places in Maine was not equal to the amount sold in one average saloon in a license state.

These were disquieting facts for the liquor interests, and hence the fierceness of the fight and the bigness of the volumne of money expended in the state by the liquor interests to wipe from the state constitution its prohibition plank.

## FALLS FROM CAR; MAY DIE

**Washtenaw Farmer Pitched from Platform to Pavement.**

Ann Arbor, Mich., Nov. 9.—George Zahn, a farmer living near this city, lies in University hospital in a serious condition, the result of being thrown from an interurban car. The car was just pulling out of a switch in front of the waiting room when Zahn jumped on the car.

As the car hit the curve Zahn lost his balance and pitched down the car steps, striking his head on the pavement. He sustained a severe concussion of the brain.

## DRIVES THROUGH FUNERAL

**Kazo Man Must Answer for Violating Traffic Ordinance.**

Kalamazoo, Mich., Nov. 9.—A warrant has been issued for the arrest of William E. Mason, charged with driving his horse through a funeral procession. This is the first time that an alleged violation of the traffic ordinance of this kind has been brought to the attention of the officers.

Mason, it is said, was warned not to drive through the procession, but he did not heed.

**Buildings Must Be Fire Proof.**

Grand Rapids, Mich., Nov. 9.—As a result of the recent report of the National Board of Fire Underwriters the common council is now at work revising the local building ordinance with a view of making radical changes in the restrictions in the down-town district. Every building must be made absolutely fire proof. Among the buildings affected will be the Elks' new $125,000 temple, the new $200,000 furniture temple and three other structures.

**Decision That Is Far-Reaching.**

Grand Rapids, Mich., Nov. 9.—For the second time inside of thirty days a prisoner has been discharged from the county jail because of faulty commitment. Judge J. S. McDonald issued an order releasing James Leonard, who had been confined in jail since July 10. Leonard was jailed on a statutory charge which the judge held to be a civil and not a criminal offense. The order is far-reaching and its effect will be felt all over Michigan.

**Found Dead in Jail Cell.**

Jackson, Mich., Nov. 9.—James Fines was found dead in a cell at the police station. An examination of the body showed that the spine had been dislocated. An inquest has been ordered. He is supposed to have fallen from his cot. Years ago Fines was a well known ball player in this vicinity. His brother, "Slivers," died at Kalamazoo about a year ago.

## INTERESTING PAPERS FEATURE MEETING OF LITERARY WOMEN

The program of the Ladies' Literary club was opened by the report of the Civic Improvement committee in the hands of Mrs. Kief who read a paper for Mrs. Hatch from which the following quotation is taken. It is the creed used by Mary McDowell in South Chicago in settlement work and recited each morning by the children who represent nearly all the nationalities: "God has made of one blood all the nations of men and we are his children, brothers and sisters all. We are citizens of these United States and we believe our flag stands for self-sacrifice for the good of all the people. We want therefore to be true citizens of our great city. Chicago does not ask us to die for her welfare: she asks us to live for her, and so to live and so to act that her government may be pure, her officers honest and that every corner of her territory may be a fit place to grow the best men and women who shall rule over us."

Mrs. Cleary gave a short paper on the lighting of the streets and much needed lighting of Recreation Park. She also recommended that the curfew be revived.

Louis James sang two splendid songs. Prof. Alexander accompanied him.

Mrs. Boyce as chairman of the Conservation committee opened the subject by a short but suggestive paper on the great need of conservation of our natural wealth: of the protection of birds as a help to the farmer; mentioning Mr. Ford's attempt at one of his Dearborn farms to so feed and house wild birds that they will stay north over winter; of reforestration, saying that our efforts in that line would barely cover a territory equal to Rhode Island; of mines which are lost to the world through cave-ins, and quoted Mr. Pinchot as saying, "The object of the great conservation movement is to make our country a prosperous and permanent home for ourselves, for our children and our children's children."

Mrs. Gaudy spoke on the need of Federal control of waterways and waterpower estimating that there was 200,000,000,000,000 horse power available. That if properly let to manufacturers it would lessen the cost of living and would prove to be even more valuable than coal.

The topography of Alaska was given by Mrs. Sullivan. She spoke of its 25,000 miles of coast line which was fairly peppered with islands; of its numerous rivers, many of which were available for water power, of its great mineral wealth; of its wonderful glaciers and something about the native indians.

Mrs. Everett read the last paper of the afternoon which gave us an idea of the vast wealth of Alaska, of its possibilities in an agricultural way, as quantities of hay is grown there as well as wheat, oats, barley, apples and peaches; of its coal mines greater than those of Pennsylvania; its copper mines greater than those of Arizona; its quantities of gold; its tin mines greater than those of Wales; of its railroads with the possibility in the future of a trip from here to Paris entirely by rail, the Alaskan rail roads being the connecting link with the Siberian Transcontinental railway; of its great fish caneries and of its prosperous towns which have sprung up since the rush for gold opened up this great country.

**Denies Charge; Accuses Wife.**

Muskegon, Mich., Nov. 9. — "This charge is a lie, made up by my wife to get rid of me," said Edward Johnson, the Whitehall farmer accused of attempting to mistreat his six-year-old daughter, when arraigned in justice court. He was bound over to the circuit court and went to jail in default of $5,000 bail.

**"Little Jake's" Only Heir.**

Saginaw, Mich., Nov. 9. — Joseph Seligman of Saginaw, only brother of the late "Little Jake" Seligman, according to information received here, receives the entire estate of the former Saginaw and Detroit business man. It is said it will aggregate $75,000.

**Calumet Man Suicide in St. Louis.**

Calumet, Mich., Nov. 9.—Word was received here of death by suicide at St. Louis, Mo., of Henry Geiger, aged thirty-two, of Calumet. He was a prominent fraternal man here.

**Fremont Adopts Commission Plan.**

Fremont, Mich., Nov. 9.—In its first municipal election Fremont adopted the commission form of government, only 73 voting against it.

**Coughing at Night.**

Means loss of sleep, which is hard on everyone. Mrs. A. Pelzer, 25 W. Jefferson St., Omaha, Neb., says:—I can recommend Foley's Honey and Tar Compound as a sure cure for coughs and colds. It cured my daughter of a bad cold, and my neighbor, Mrs. Benson, cured her whole family with Foley's Honey and Tar Compound. Everyone in our neighborhood speaks most highly of it." For dryness and tickling in the throat, hoarseness, and all coughs and colds, take Foley's Honey and Tar Compound. Keep always in the house. Contains no opiates. The genuine in a yellow package. Refuse substitutes. Weinmann-Matthews Co.

**Goose Raiser Finally Found Out Why His Flock Did Not Increase.**

The oldest of us can remember having told that "Little Bopeep lost her sheep," but as they came home last, Bopeep was not so badly off as was Bob Vorus, who six years ago started a goose farm on his mill pond near Lumpkin, Georgia.

He knew the value of feathers, and thought the people would appreciate the opportunity of obtaining them near home for making pillows and beds.

His big mill pond was such a fine place for them to swim and live and raise their young in. So he got five hundred pairs of geese and put them on his pond.

Their nests were built in the rushes along its banks and their melodious voices reverberated from end to end of the pond. But they did not increase, according to Bob's notion, their numbers were diminishing perceptibly.

A dead one could be seen occasionally drifting along the edge of the bordering rushes. At first Bob thought it might be minks, otters, skunks, foxes, or what not that were destroying them, but soon found out that it was alligators for he actually saw one of the ugly reptiles catch a goose and pull it under water. Partly eaten geese would sometimes be found.

### UNLUCKY.

Wearie Walker—It is unlucky to look at the new moon over your left shoulder?

Dusty Rhodes—Sure. I did it once, and the next day I asked for a job—and got it.

### WILLIS

Willis, Nov. 9.—Mr. and Mrs. James Long returned to their home Sunday after visiting eight weeks among their children.

Quarterly meeting was held at Willis M. E. church Sunday, Nov. 5.

**DOUBLY PROVEN**

**Ypsilanti Readers Can No Longer Doubt the Evidence.**

This Ypsilanti citizen testified long ago.

Told of quick relief—of lasting benefit.

The facts are now confirmed.

Such testimony is complete—the evidence conclusive.

It forms convincing proof of merit.

Mrs. Thomas Barnum, 23 Water St., Ypsilanti, Mich., says: "A heavy cold which settled on my kidneys affected them and my back became so painful that I could not stoop or lift. I neglected to treat the trouble and as a result, it became serious. When I found how bad my case really was, I began using medicine, but then it was too late and I got only temporary relief. It was difficult for me to sit down and just as hard to get up, owing to sharp twinges through my loins. The secretions from my kidneys were also unnatural. Finally I began taking Doan's Kidney Pills, procured at Weinmann-Matthews Co.'s Drug Store, and the first few doses benefited me. By the time I had finished the contents of one box, my pains and aches had all disappeared and I felt like a different person. I think that I am justified in recommending them." (Statement given in 1906).

**Time is the Test.**

Mrs. Barnum was interviewed on September 20, 1911, and she added to the above: "I cheerfully confirm my former endorsement of Doan's Kidney Pills, for they made a permanent cure in my case. I have had no further need of a kidney medicine since 1906."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## Feet Tired-So Tired

**TIZ Makes Sick Feet Well No Matter What Ails Them.**

TIZ acts at once and makes tired, aching, swollen feet remarkably fresh and sore proof.

It's the sure remedy, you know, for everything that gets the matter with your feet. It's for sore feet and for sweaty, bad-smelling feet, and for corns, callouses and bunions, too.

"For years I have been troubled with sore and tender feet; suffered intense pains. Have had the assistance of physicians without relief. I bought a box of TIZ, which worked a perfect cure, as it has with a great many of my friends." I would not be without it. All it requires is to be known to be universally used." A. F. Dreutzer, Chicago.

TIZ is not a powder. Powders and other foot remedies clog up the pores. TIZ draws out all poisonous exudations which bring on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and glorifies the feet—your feet.

You'll never limp again or draw up your face in pain, and you'll forget about your corns, bunions and callouses. You'll feel like a new person.

TIZ is for sale at all druggists, 25 cents per box, or it will be sent you direct, if you wish, from Walter Luther Dodge & Co., Chicago, Ill.

On Sunday Mr. and Mrs. Fred Richards entertained Mr. and Mrs. Francis Gould and son Jay, W. P. Griffen and children, Mr. and Mrs. A. C. The chicken pie supper given by the Baptist ladies last Friday was well attended, the proceeds amounting to something over $30.

## CHILDREN INURED

ORDINARY CATHARTICS AND PILLS AND HARSH PHYSIC CAUSE DISTRESSING COMPLAINTS.

You cannot be over-careful in the selection of medicine for children. only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They may cause griping, nausea and other distressing after-effects that are frequently health-destroying.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy, which we know, for constipation and associate bowel disorders. We have such absolute faith in the virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Rexall Orderlies commonly completely relieve constipation, except of course when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition. Three sizes of packages, 10 cents, 25 cents, and 50 cents. Remember, you can obtain Rexall Remedies in Ypsilanti only at our store—The Rexall Store—Weinmann-Matthews Co., 118 Congress street.

**"MY WORD"**

**Says Druggist Spalsbury in Giving His Personal Guarantee to all Skin Sufferers.**

I have been in business in this town for some time, and I am looking to build up trade by always advising my patrons right.

So when I tell you that I have found the eczema remedy and that I stand back of it with the manufacturer's iron clad guarantee, backed by myself, you can depend upon it that I give my advice not in order to sell a few bottles of medicine to skin sufferers, but because I know how it will help my business if I help my patrons.

I keep in stock and sell, all the well known skin remedies. But I will say this: If you are suffering from any kind of skin trouble, eczema, psoriasis, rash or tetter, I want you to try a full size bottle of D. D. D. Prescription. And if it does not do the work, this bottle will cost you nothing. You alone to judge.

Again and again I have seen how a few drops of this simple wash applied to the skin, takes away the itch, instantly. And cures all seem to be permanent.

D. D. D. Prescription made by the D. D. D. Laboratories of Chicago, is composed of thymol, glycerine, oil of wintergreen and other healing, soothing, cooling ingredients. And if you are just crazy with itch, you will feel soothed and cooled, the itch absolutely washed away the moment you applied this D. D. D.

I have made fast friends of more than one family by recommending this remedy to a skin sufferer here and there and I want you to try it now on my positive no-pay guarantee.

How We Live.

The only right is that which allows man's individuality to expand, and the only wrong is that which contracts it—we live in the measure that we voice ourselves, and we but linger when self-expression atrophies and dies.

## TIGER MEN READY FOR THE BULLDOG

### Yale and Princeton to Clash On Gridiron Nov. 18.

### TEAMS ARE EVENLY MATCHED

**Game Should Result In Good Battle. Yale Will Depend Much on Captain Howe, While Princeton Men Expect Pendleton to Worry Blue.**

By TOMMY CLARK.

The elevens of Yale and Princeton are ready to clash on the gridiron in New Haven, Conn., Nov. 18. For thirty-six years the Tiger and Bulldog have annually renewed their test of power.

Princeton and Yale engaged in their first gridiron battle in 1873. After 1873 there was a lapse of three years, and

PENDLETON, PRINCETON'S SENSATIONAL HALFBACK.

since then the game between these two universities has become an annual event.

Yale has twenty victories to her credit, Princeton nine, while seven were tied. A list of the games played by the two elevens is as follows:

1876, Yale, 2 goals; Princeton, 0. 1877, Yale, 2 touchdowns; Princeton, 0. 1878, Princeton, 1 goal; Yale, 0. 1879, Yale, 2 safeties; Princeton, 5 safeties. 1880, Yale, 5 safeties; Princeton, 11 safeties. 1881, Yale, 0; Princeton, 0. 1882, Yale, 2 goals 1 safety; Princeton, 1 goal 1 safety. 1883, Yale, 1 goal; Princeton, 0. 1884, Yale, 1 goal; Princeton, 1 touchdown. 1885, Princeton, 1 goal from touchdown; Yale, 1 goal from field. 1886, Yale, 1 touchdown; Princeton, 0. 1887, Yale, 2 goals; Princeton, 0. 1888, Yale, 2 goals; Princeton, 0. 1889, Princeton, 1 goal, 1 touchdown; Yale, 0. 1890, Yale, 32 points; Princeton, 0. 1891, Yale, 2 goals 2 touchdowns; Princeton, 0. 1892, Yale, 2 goals; Princeton, 0. 1893, Princeton, 1 goal; Yale, 0. 1894, Yale, 24; Princeton, 0. 1895, Yale, 20; Princeton, 10. 1896, Princeton, 24; Yale, 6. 1897, Yale, 6; Princeton, 0. 1898, Princeton, 6; Yale, 0. 1899, Princeton, 11; Yale, 10. 1900, Yale, 29; Princeton, 5. 1901, Yale, 12; Princeton, 0. 1902, Yale, 12; Princeton, 5. 1903, Princeton, 11; Yale, 6. 1904, Yale, 12; Princeton, 0. 1905, Yale, 23; Princeton, 4. 1906, Yale, 9; Princeton, 0. 1907, Yale, 12; Princeton, 10. 1908, Yale, 11; Princeton, 6. 1909, Yale, 17; Princeton, 0. 1910, Yale, 5; Princeton, 3.

The coming game should prove to be the meeting of two good defensive teams, and that means under the present rules a standoff to all intents and purposes. It is the probability of this matching of defense against defense that leads me to the belief that both teams will resort to drop or place kicking whenever the opportunity offers. Captain Howe of Yale and Penfield and Farr of Princeton are so dependable under ordinary conditions that it seems necessary only to bring them within striking distance. I shall be surprised if either eleven attempts a march over the goal line. The teams are too evenly matched for that sort of thing, and with kickers of about the same caliber it would seem to be the better plan to rely upon field goals for victory.

Both teams have suffered from numerous injuries to the players since the start of the season, but it is expected that the full strength of the elevens will be pitted against each other in the coming battle.

Yale will depend much on the ability of Captain Howe. He is the pivot around which hangs Yale's destiny this year in the game with Princeton. With Howe in, Yale has an excellent chance to win, but with him out it is questionable.

For the Tiger men Pendleton will be the mainspring. The brilliant halfback is expected to be the whole show against Yale. Last year the wearers of the Blue smothered Pendleton's plays, but Princeton men figure the experience he gained in that game will greatly benefit him in the coming battle. All things sized up, there seems to be little difference in strength between Princeton and Yale teams.

The probable lineup of the two elevens is as follows:

Yale—Left end, Francis; left tackle, Scully; left guard, Childs; center, Ketcham; right guard, McDevitt; right tackle, Perry; right end, Avery; quarterback, Captain Howe; left halfback, Reilly; right halfback, Spalding; fullback, Philbin.

Princeton—Left end, White; left tackle, Phillips; left guard, Wilson; center, Blumenthal; right guard, Brown; right tackle, McClain; right end, Wight; quarterback, Farr; left halfback, Pendleton; right halfback, Sawyer; fullback, DeWitt.

## TO TRY HILTON'S STUNT.

**American Golfers Will Go Abroad Next Year to Try Their Skill.**

It begins to look now as if the international golf game might work both ways next year. On the eve of his departure Harold H. Hilton, the famous English golfer, declared his intention of returning to America a year hence to defend the title he won at Apawamis, N. Y., and now comes the news that the United States will be represented abroad.

Oswald Kirkby, the Englewood (N. J.) champion, said that he was going over in the spring. It is also stated that Fred Herreshoff will try his luck next year. With the exception of the

memorable visit of Walter J. Travis in 1904, when he cast dismay into the ranks of the Britons by "lifting" the cup at Sandwich, the efforts of American golfers abroad have been decided failures.

Great things were expected of Jerome Travers when he went over a few years ago, but his sorry showing is still remembered by all close followers of the game. Then there was the attempt of last season, when Chick Evans, P. W. Whittemore and J. G. Anderson went across, the result of which is still fresh in the memory of all.

The Daily Press Profitbringers are sure to bring results.

## REGALS HAVE EASY VICTIMS IN S. & S. MEN

DeWitt's Regals had an easy time winning from Schafarik & Sinkule Wednesday evening, taking all three games by comfortable margins. The rolling on both sides was ordinary, everybody seeming to be off form.

Grimston made high score with 199 and also high average with 174. The team scores were as follows:

**Coming Celebration.**

A little girl in Sabetha, Kan., is to be baptized next Sunday, and she is proudly telling her friends that she is to be "advertised."

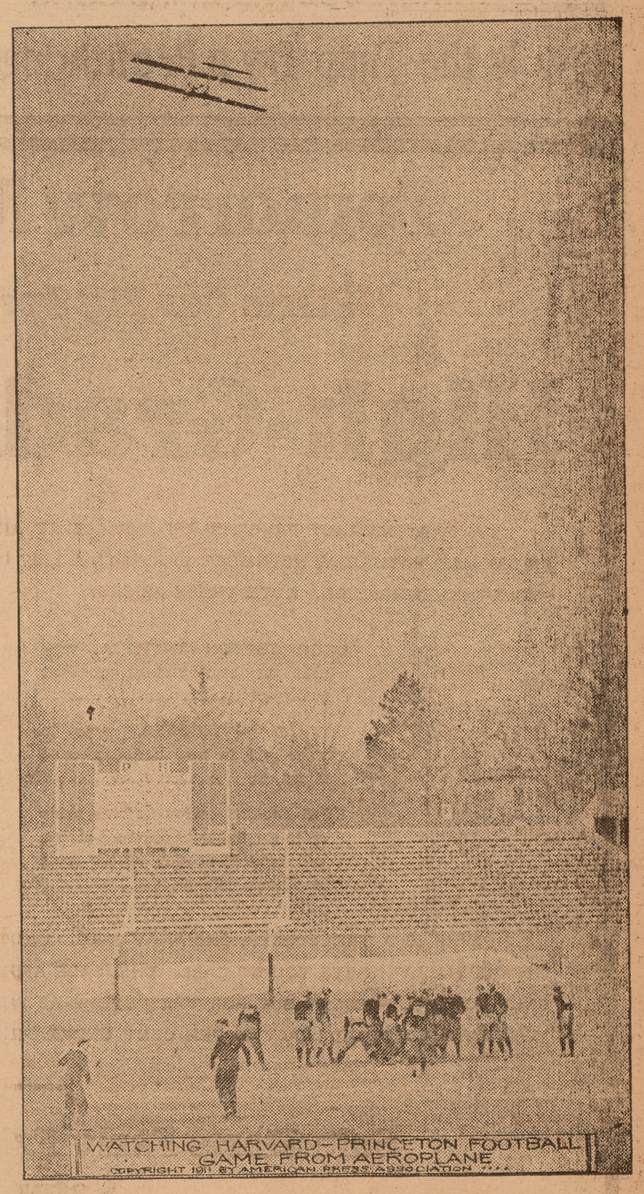
**Stupefy the Snake.**

Snake charmers take snakeroot and put it into an earthenware pot with a snake, and he soon becomes stupefied and seems torpid and too weak to fight or bite. They put the snake under the influence of the root before pulling his fangs.

A Mail Carrier's Load

Seems heavier when he has a weak back and kidney trouble. Fred Duchren, mail carrier at Atchison, Kansas, says: "I have been bothered with kidney and bladder trouble and had a severe pain across my back. Whenever I carried a heavy load of mail, my kidney trouble increased. Some time ago, I started taking Foley's Kidney Pills and since taking them I have gotten entirely rid of all my kidney trouble and am as sound now as ever." Foley's Kidney Pills are tonic in action, quick in result. No matter at what stage your kidney trouble may be, take Foley's Kidney Pills at once for quick and permanent relief. Weinmann-Matthews Co.

## USING AEROPLANE TO WATCH FOOTBALL GAME LATEST AERIAL STUNT



Princeton, N. J., Nov. 9.—Using an aeroplane to report and photograph a football game is the latest thing in aeronautics. It was done for the first time at the game between Harvard and Princeton here, an aeroplane flying repeatedly over the field during play. The machine carried a photographer, who used his camera rapidly. This picture was made just at the time that Potter, Harvard's star quarterback, had been so badly hurt that he had to leave the game. The grandstand directly behind the players has been condemned, and the thousands of spectators in other sections of the grand stand stopped watching the exciting events on the field to gaze upward at the circling aeroplane.

Ann Arbor, Nov. 9.—Ronald Cook, a Perry school boy, has invented a very clever contrivance to fit on the back of an ordinary bicycle so that two people can ride at the same time, and he has just received a certificate stating that it can be patented from a firm of attorneys at Washington. Ronald is the son of Mr. and Mrs. Fred Cook of 538 South Fifth Ave.

## OSLER RIGHT; YOUTH SUCCEEDS AGE

GRAY HAIR IS FIRST SIGN OF AGE
HARMLESS REMEDY RESTORES TO NATURAL COLOR.

Esler isn't the only man who turns down old age. In the business world the "young man" is always the one who picks the plums. It is an age of "new thought," "new talent," etc., and the old man is passed in the race.

One of the first signs of coming age is the appearance of gray hairs. When you see them, act promptly. Wyeth's Sage and Sulphur Hair Remedy will correct this sign, which so often deceives people into thinking that age is really upon them. It is a well-known fact that Sage and Sulphur will darken the hair. Wyeth's Sage and Sulphur combines these old-time remedies with other agents, which remove dandruff and promote the growth of the hair.

The manufacturers of this remedy authorize the druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

Don't look old before your time. Get a bottle of Wyeth's Sage and Sulphur today, and see what an improvement it will make in the appearance of your hair.

This preparatoin is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists. Special agent, Weinmann-Matthews Co., 118 Congress St.

## Seven Months of Artificial Light In the Home

Sight is one of the most precious possessions of men, women and CHILDREN.

During seven months of the year, most of the close application of eyesight in your home is by artificial light.

Is the artificial light in your home good or bad?

Before the long evenings come when the family gathers near the LIGHT—look into this matter carefully.

ELECTRIC LIGHT is the best light in the home. It is economical and it is far more convenient than any other form of lighting.

Insurance companies rank electric light the safest.
